ACLAMO offers home and school counseling, seniors program, and many cultural events to help families in need. Our focus is to encourage self sufficiency by provide the community with the services, tools, and skills for success.

Despite this the economic downturn of the last few years has been especially difficult for our low income families. While we cannot change the world, we know we can have a positive impact on those children and families within our community who are in need. ACLAMO is organizing a food drive this Thanksgiving, and we need your help!

Don't miss this opportunity to bless others who are in need. Please consider:

- ❖ donating gift cards from local grocery stores. Any amount will help!

- ❖ donating a turkey, ham or chicken for a healthy meal
- ❖ Helping us distribute these food orders to needy families
